# Monte Carlo

NIGHT

The parents of Holy Trinity's 8th Grade class of 2017 are sponsoring our annual Monte Carlo night. Our theme this year is "Endless Summer." This event raises funds to provide scholarships to deserving 8th graders who are continuing on to Catholic high schools, to help with 8th grade events and to benefit new and continuing programs at the school. We will have Vegas-style gambling, horse races, great food, drinks and sweets and opportunities to win fantastic prizes.

Monte Carlo Night is open to all Families of Holy Trinity School (all grades), parishioners, alumni and friends & families of HT. All are welcome! Please join us to celebrate our students, school and community.

## TICKETS AVAILABLE NOW!

Tickets are \$40/person. Each paid admission receives one bucket with (50) chips, (2) 25 chip vouchers, (5) raffle tickets, and (2) drink tickets. Additional chips may be purchased. More information on the schedule of the evening and how the raffle baskets and silent auction goes coming soon.
